

## **How to Apply**

### *Whaler's Cove Assisted Living*

#### *Step #1:*

Each prospective resident will complete an "Application for Residence." This application will tell us more about you, your interests and your financial history.

#### *Step #2:*

Prior to your move-in, your primary care doctor will be asked to complete a "Physician Clearance Form." Also, our Resident Care Director will meet you to learn more about your medical history and begin to plan for your care.

#### *Step #3:*

A member of the Marketing Department will call you to select the studio, one or two bedroom apartment of your choice.

#### *Step #4:*

Plan your move-in date and schedule a paperwork "closing" to sign other necessary documents and to prepay first and last month's fee. This is usually done 1-14 days prior to your actual move-in date.

#### *Step #5:*

Move in and experience the warmth of our extensively trained staff, meet your new neighbors and begin to enjoy the security of Whaler's Cove, your new home.
